Steve Anderson (707) 529-8719

Ron Kessler (707) 483-8568

Lee Shepard (707) 489-2106

Welcome to NBMCs 2026 Lost Coast Ride, two days of riding 450+/- miles of scenic back roads through coastal mountain ranches and redwoods. Bring a windbreaker, tools particular to your bike, snacks, water, tubes, charging cables, credit cards and cash. We'll transport your overnight gear. Lunch provided by NBMC on Saturday only. Please respect the sweepers and follow their directions/instructions.

Check-in / Overnight Parking: Factory Pipe, 1307 Masonite Rd, Ukiah, CA 95482 - Take the N State St exit in Ukiah, go south on N State St, turn left on Ford Rd., then left under the highway onto Masonite Rd.

Registration: Friday 6pm - 7:55pm & Saturday 6am - 8:45am

At registration you will be given an (1) identification sticker, (2) luggage tag, (3) lunch ticket, (4) paper map

Navigation: GPS tracks will be sent out prior to the ride or loaded at registration. **You will be responsible for knowing how your device works. If you are using a new app or device please get familiar with it prior to the event since they can be complicated to learn and use.** There will be an AM and a PM track for each day. Some tracks do overlap so it is important to turn off the tracks that you are not using on your device. Provided paper maps will show the tracks, suggested gas stations and lunch stops. If you are unsure of which track you want, or which track you are on, consult the paper map. If you want to avoid the more challenging dirt sections the Easy option on each day does that.

Gates: The course goes on private logging company properties that are behind locked gates. *On Saturday morning the gates are off of Hwy 1 north of Westport and will open by 9AM and close when the final sweepers go through around 1PM. On Sunday morning the gated section is off of Bear River Ridge Rd, it will open at 7:30AM. Get on the road before 9 as the final sweepers will be locking that gate by 10AM.*

Luggage: The Luggage Truck will leave each morning promptly at 9:15

Please keep your luggage to a **minimum**. The luggage trailer will be at the Redwood Riverwalk Hotel in Fortuna. **Check in at the luggage trailer first thing once you get to Fortuna.**

Gas Stops: You can get gas at the following locations (some might have only regular and take only cash)

Sat - Ft Bragg, Shelter Cove Store, Honeydew, Petrolia / **Sun** - Miranda, Laytonville, Willits

For emergency access at Factory Pipe contact Karl (707) 953-6216 or John (707) 670-0206

Tents/Canopies/Shades at Factory Pipe must be dismantled Saturday morning prior to ride
